

To: Amber B. Hasbun
From: Richard MendozaTamar Kenworthy, Chair
Exempt/Expedited Review Committee
Date: 11/07/2018
Action: **Expedited Approval**
Protocol #: 1810118800
Study Title: BOUNDARY AMBIGUITY IN PARENTS RAISING A CHILD WITH AUTISM: THE ROLE OF AMBIGUOUS LOSS IN PARENT STRESS
Expiration Date: 11/06/2019
Last Approval Date:

The above-referenced protocol was approved following expedited review by the Institutional Review Board.

It is the Principal Investigator's responsibility to obtain review and continued approval before the expiration date. You may not continue any research activity beyond the expiration date without approval by the Institutional Review Board.

Adverse Reactions: If any untoward incidents or severe reactions should develop as a result of this study, you are required to notify the Exempt/Expedited Review Committee immediately. If necessary a member of the IRB will be assigned to look into the matter. If the problem is serious, approval may be withdrawn pending IRB review.

Amendments: If you wish to change any aspect of this study, such as the procedures, the consent forms, or the investigators, please communicate your requested changes to the Exempt/Expedited Review Committee. The new procedure is not to be initiated until the IRB approval has been given.

Please retain a copy of this letter with your approved protocol.

Correspondence Notes:

- Please revise below items prior to distributing to participants. ONLY submit revisions through Streamlyne if you need to request a renewal or amendment in the future..

As noted in the protocol check list item #5, please include your Faculty Supervisor name and contact information in the Consent Form.

Consent Form IRB information: Please remove wording NOTE.

cc: Alba Nino, Investigator
